## **MONARCHS ACROSS MEXICO 2021 BOOK PROJECT**

Since 2003, Monarchs Across Georgia has traveled to Michoacan in an effort to generate awareness and understanding between two cultures through the study of Monarch butterflies. The Mexican educational system differs greatly from the American system and in our many visits to the colonies MAG made a special effort to establish a relationship with the schools that were close to the monarch colonies. Your generous contribution will make it possible for Monarchs Across Georgia (MAG), a committee of the Environmental Education Alliance of Georgia (EEA), to bring much-needed educational materials to these deserving children.

Please consider making a donation to the Environmental Educational Alliance (EEA) designating it to the "MAG Book Project." Your check can be mailed to the address noted below.

As a reference, books generally cost about \$5.00 in American currency. In appreciation for your donation, a bookplate with your name (or one designated by you) will be attached to the inside cover. We will also recognize donors by publishing their names on our website at [www.monarchsacrossga.org](http://www.monarchsacrossga.org). Receipts will be provided upon request.

The deadline for these tax-deductible donations is October 31, 2021.
